ECF CASE

08 Civ. 4114 (CM)

**DECLARATION OF
BIRGITTA THOMAS**

Pursuant to 28 U.S.C. §1746, Birgitta I. Thomas declares as follows:

1. I am an International Trader, specializing in the sugar trade, employed with PS International, Ltd., (“PSI”) a corporation duly organized under the laws of Indiana, with its main corporate offices presently at 1414 Raleigh Road, Suite 205, Chapel Hill, North Carolina 27517, and the defendant in the above captioned action.
2. I make this declaration in support of PSI’s motion to compel arbitration in London in accordance with the terms of the underlying contract of sale.
3. I was the trader that handled the sugar trade with plaintiff and I am familiar with all of the facts in this matter.

4. The plaintiff in this action, Amadou Bhoye Sow, to the best of my knowledge, is and was, at all material times, the president, director or chief executive office of the company Ets. Sow Amadou Bhoye Et Freres, (“ETS SOW”) a company existing under the laws of Guinea, with offices at Madina Ecole, Conakry BP 3546, Guinea.

5. In all, there were three trades entered into with ETS SOW, for a total of 50 containers at approximately 27 metric tons per container, of Brazilian sugar to be delivered to ETS SOW in Conakry, Guinea.

6. The first trade was entered into on or about March 9, 2006, for 10 containers to be shipped in March 2006. A contract for this shipment was presented to and signed by ETS SOW on or about March 9, 2006 (hereinafter “March 9, 2006 - Confirmation of Sale”). A copy of this March 9, 2006 - Confirmation of Sale is attached hereto as Exhibit “A”.

7. This first contract, the March 9th, 2006 – Confirmation of Sale, was prepared with some haste while Mr. Sow was present in PSI’s office and, inadvertently, did not include all of the usual terms PSI would normally include in a confirmation of sale. One excluded term was a arbitration clause.

8. It is PSI’s normal practice to make the terms of its out bound sale contracts to its customers as close as possible to its inbound purchase contracts from its suppliers, a practice generally referred to as “back-to-back”, with the obvious exception of the price terms.

9. On this particular trade, PSI’s supplier was Energy Servicos E Comercio Internacional Ltd. of Sao Paulo, Brazil (“ESCI”). Attached hereto as Exhibit “B” is the inbound purchase contract from ESCI for the same 10 containers of sugar which were being sold to ETS SOW by PSI.

10. This inbound purchase ESCI contract contained an arbitration agreement which appears on page 2 of the contract as Clause 15.

11. It was only after the March 9th, 2006 – Confirmation of Sale was signed by ETS SOW that I realized this contract did not include the arbitration clause. I did not take any action at that time to correct this inadvertent omission.

12. The second trade with ETS SOW was entered into on or about April 12, 2006 for an additional 20 containers of Brazilian sugar to be shipped in April/May 2006. That trade was initially evidenced by a Proforma Invoice which was scanned and emailed to ETS SOW on April 12th, 2006. ETS SOW was to sign that Proforma Invoice and return same to PSI. ETS SOW did so on April 12, 2006, returning the signed Proforma Invoice by email. A copy of that email and the signed Proforma Invoice is attached hereto as Exhibit “C”.

13. I point out that the Proforma Invoice includes the caption, directly below where it was signed by Mr. Sow, “our formal contract will follow”.

14. April 12, 2006 was the Wednesday of the Christian Holy Week, immediately preceding the Easter Holiday. It was my last day in the office of that week as I commenced a short holiday in observance of the Easter Holiday. I did not prepare the “formal contract” called for in the Proforma Invoice until after my return to the office on April 17, 2006.

15. On my return to the office the week of April 17, 2006, I prepared the “formal contract” called for in the Proforma Contract of Sale and forwarded it by email to ETS SOW. A copy of that “formal Contract is attached hereto as Exhibit “D”. This second contract (hereinafter the “ April 12th, 2006 – Confirmation of Sale”) contained a fuller statement of PSI’s sales terms and conditions making same more “back-to-back” with the purchase contract from the supplier.

16. This contract, the April 12th, 2006 – Confirmation of Sale, among other additional clauses, contained the following arbitration agreement:

ALL DISPUTES ARISING OUT OF THE CONTRACT SHALL
BE SUBMITTED TO THE REFINED SUGAR ASSOCIATION
OF LONDON FOR SETTLEMENT IN ACCORDANCE WITH
THE ARBITRATION RULES OF THE ASSOCIATION.

17. At no time did ETS SOW ever raise any objection to the inclusion of this arbitration clause, nor to the inclusion of any other of the additional terms and conditions included in the second contract which were not included in the first contract.

18. On or about May 19, 2006, PSI and ETS SOW entered into the third trade agreement for an additional 20 containers of Brazilian sugar be shipped in June 2006 to ETS SOW at Conakry, Guinea at the agreed upon price U.S. \$517 per metric ton CIF (cost, insurance and freight to Conakry from Brazil all included in the sale price.)

19. The contract for this third trade was again prepared by me in PSI's office, signed by me and sent to ETS SOW by email. A copy of that third contract, as it was transmitted to ETS SOW, is attached hereto as Exhibit "E", (hereinafter the "May 19th, 2006 – Confirmation of Sale").

20. On May 20, 2006, ETS SOW, signed the May 19th, 2006 – Confirmation of Sale and returned the signature page of same to PSI via email. A copy of that email, together with the attached signed confirmation of sale, is included herewith as Exhibit "F".

21. This May 19th, 2006 – Confirmation of Sale again included, directly above the signature of the defendant, the same arbitration agreement as was contained in the April 12th, 2006-Confirmation of Sale.

22. The fact that the plaintiff understood that these confirmations of sale were in fact contracts was acknowledged by defendant in its email of June 6, 2006, wherein Mr. Sow states "I

want you to remember that our Sales contract price signe (sic) is \$517/Mt!" A copy of that email is attached hereto as Exhibit "G".

23. Although there was no arbitration agreement in the March 9th, 2006 – Confirmation of Sale, there was an arbitration agreement in the April 12th, 2006 – Confirmation of Sale and the May 19th, 2006 - Confirmation of Sale, under which the plaintiff agreed to arbitrate all disputes in London.

24. The plaintiff should be compelled to do so, this present action being stayed pending such London arbitration.

I declare under penalty of perjury that the foregoing is true and correct.
